Dear Manager,

This agreement is entered into between BROWNS AMUSEMENTS, INC. and

Cedar Hills Family Fest.
EVENT NAME AND CITY NAME

For the purpose of creating an ADVANCE SALES PROGRAM.

You will be given 1000 advance sale tickets in rolls of 100 tickets. Each ticket has a value of \$ 20 and each roll has a value of \$ 2000, this brings your total value of accepted presale tickets to \$ 20,000.

Please try to keep the rolls intact until all tickets from the rolls are sold as they are in numerical order.

The advance sale tickets must be redeemed at the carnival on any single day between 6/2 and 6/4, 2016, at any carnival ticket box. To redeem a ticket, the bearer simply takes it to the carnival ticket box on any day of the event and exchanges it for a wristband. The wristband will enable the bearer to ride as many rides as he or she desires on that day and for the rides they are tall enough for. All riders must be 36" or taller to receive a wristband. The wristband is only good FOR THAT DAY ONLY! The ticket is only good for the advance sale, not good with any other offer. The ticket is not to be used on a BUDDY DAY promotion if applicable at your fair. This ticket does not guarantee admission to all rides. Again height restrictions are in place at all rides. The coupon is only good on day exchanged. There is NO REFUNDS of any kind with this purchase. THERE ARE NO EXCEPTIONS!

Please make sure that everyone who sells these tickets for you are aware of these rules and do not misrepresent the features of these tickets and the program!

WE DO NOT WANT THE TICKET STUBS BACK. Those are for your recordkeeping only.

The following ticket roll numbers are those that you will be responsible for. Do not give these away for "COMP" tickets. **THESE TICKETS ARE FOR SALE ONLY!**

By signing below you accepting the terms of the Advance Sale Program and further accepting the RESPONSIBILITY of the total value of these tickets listed above.
